IN MEMORIAM

FOUNDING MEMBER BEA WICKMAN

Beatrice Wickman, who passed away in June, 2003 at the age of 89 years, was a founding mother of the Manitoba Doll Club. Beatrice was skilled at sewing, knitting, crocheting, and embroidery and loved dressing dolls, winning numerous awards. She participated in many doll club activities, including the annual show, and continued to attend meetings and other functions until near the end of her life, when her health no longer permitted.

Getting to Know You:

Please write, phone or email your story to Ardythe for inclusion. We'd like to know a bit about your doll and other interests.

CLUB NEWS

We are planning a presentation on making dolls' clothes for the April meeting. If you are expert in any handicraft (knitting, crocheting, beadwork, embroidery or ??) please bring examples of your work and share any special tips or hints.

BROWN BAG DOLL:
Mythical/Magical Creatures
Carol Fraize, Co-Ordinator

Please be sure to bring your doll, now with hair and face completed, to the February meeting!

Clothing: March meeting

LENDING LIBRARY

Please call Dianne Malzensky if you wish to borrow any books and she will bring them to the meeting.

The Library greatly appreciates donations of any items, old magazines/books you no longer want for others to enjoy.

NB: If you have books still out, please return them!

PATTERN LIBRARY

Brown-Eyed Becky - 24"

Blue-Eyed Jenny - 24"

Alice in Wonderland - very large, with Queen, Cat & Mad Hatter

ALSO NEW: Doll Measurement sheet with sizes of popular dolls

PATTERN HINT:

If you have Barbie patterns that you'd like to use for Gene dolls, take the pieces to a copy shop and have them enlarged to 126%.

It's a good idea to make up a sample garment in cheap fabric before cutting into expensive fabric - even for doll clothes.

NEWSFLASH:

After 43 years, Ken and Barbie are officially having some "quality time apart". Was it Barbie's dedication to her many careers (from astronaut to veterinarian)? Ken's inability to commit? (All those bridal gowns over the years!) Rumour has it that Barbie is now an item with Blaine, the handsome Australian boogie boarder. (What is a boogie boarder anyway?)

OH NO! First Ben and Jen, now Barbie and Ken?

(not a picture of Blaine!)

Find this and other patterns, recipes, hints and articles on the Canadian Living website: www.canadianliving.com

Frog Fun

Sewing this friendly little frog isn't too big a jump – even for a beginner.

By Frog-patterned fabric by The Debbie Mumm Collection

You'll need:

- 2 pieces of densely woven calico or cotton, each 26 cm (10-1/4 in) square, 1 for top and 1 for bottom
- 2 yellow sew-through buttons, 12 mm in diameter
- 2 black ball buttons, 8 mm in diameter
- matching thread · dressmaker's marker pins
- approx 1 cup (250 mL) of dried lentils or split peas

To make:

1. Enlarge pattern photostatically to make a grid of 2.5 cm (1-in.) squares.
2. Cut out paper pattern. Lay on wrong side of top fabric; with marker, trace (don't cut). With edges even and right sides together, lay top fabric on bottom fabric. Pin perpendicular to traced line.
3. With small machine stitches and leaving open between notches, stitch top to bottom along line. Repeat if desired to reinforce. Trim seam allowance to 3 mm (1/8 in) and clip at corners and curves. Turn right side out.
4. With dried lentils, loosely fill legs, then body (frog should be filled up but flexible).
5. Turn under 3 mm around opening; slipstitch closed.
6. At each dot, hand-stitch 1 yellow button with black button on top.
